

MR-UC-4.8A

USA+Type C Receptacle

USA+Type C Receptacle

The **MR-UC-4.8A USB Receptacle** combines a standard duplex outlet with integrated USB charging ports for convenient power access in residential and commercial spaces. Featuring dual **USB** ports with a total **output of 4.8A**, it allows compatible devices to charge directly without bulky adapters. Designed with Tamper-Resistant safety shutters and easy installation features, **it is ideal for kitchens, bedrooms, offices, hotels, and modern living spaces.**

Key Features — USA+Type C Receptacle

- Duplex receptacle with integrated USB charging ports
- Dual USB ports with total 4.8A output
- 5VDC USB charging capability
- Charge devices directly without adapters
- Tamper-Resistant shutters for enhanced safety
- Complies with 2011 NEC requirements
- Replaces standard duplex receptacles
- Back and side wire installation options
- Compatible with USB 1.1 / 2.0 / 3.0 devices
- Supports Apple and most USB-powered products

Technical Summary

Item Number	Description	Wall Plate Dimension	Voltage
MR-UC-4.8A	USA+Type C Receptacle	7x12x0.8	125V

MR-UC-4.8A

USA+Type C Receptacle

Construction

- Durable thermoplastic housing for long-lasting performance
- Tamper-resistant shutter system for child safety
- Compact duplex receptacle design
- Designed for residential and commercial applications

Electrical

- Receptacle Rating: 15A, 125VAC
- USB Rating: Dual USB ports, total 4.8A, 5VDC
- Supports USB-powered devices and charging applications
- Stable and reliable charging performance
