# MWPE Wallpack Series

## 80/100/120W Wallpack With Photocell

## Wallpack

The **MWPE Wall Pack Series** is a durable and efficient outdoor lighting solution designed for reliable wall-mounted applications. Featuring **IP65 waterproof protection, along with 3CCT and field-selectable wattage**, it offers maximum flexibility while ensuring excellent performance in harsh environments such as rain and dust. Ideal for **building exteriors, warehouses, parking areas, and walkways, it delivers consistent illumination for enhanced safety and visibility.**

## Key Features — Wallpack

- Field-selectable wattage: 80W / 100W / 120W
- 3CCT selectable (3000K / 4000K / 5000K)
- High lumen output: 10,000 / 12,500 / 15,000 LM
- IP65 waterproof for reliable outdoor performance
- Available finish: brown

## Technical Summary

| Item Number | Description | Wattage | Lumens | Color Temp. | Voltage | Dimming | CRI |
|---|---|---|---|---|---|---|---|
| MWPE-80/100/120W-3CCT-PC | 120W Wallpack With Photocell | 80W/100W/120W | 10000LM/12500LM/15000LM | 30K/40K/50K | 120V-277V | 0-10V | 80+ |

## Construction

- Rugged die-cast aluminum housing for durability in harsh outdoor environments
- IP65 waterproof rating, suitable for rain, dust, and extreme weather
- Finish: brown

## Driver

- Field-selectable wattage: 80W / 100W / 120W
- Energy-efficient LED technology with long lifespan
- High reliability for continuous outdoor operation

## Optics

- 3CCT selectable (3000K / 4000K / 5000K)
- High lumen output: 10,000 / 12,500 / 15,000 LM
- Uniform illumination for enhanced visibility and safety

## Mount

- Wall-mounted design for building exteriors, warehouses, parking areas, pathways, and security lighting
- Easy installation and maintenance
