Outlet With Night Light

15A/20A Outlet With Night Light

This Outlet with Night Light combines a standard duplex receptacle with a built-in LED night light for added safety and convenience. Designed for residential and light commercial use, it provides reliable power while offering soft illumination in low-light conditions. **Ideal for bedrooms, hallways, bathrooms, kitchens, and stairways where nighttime visibility is needed without turning on main lights.**

Key Features — Outlet With Night Light

- Available in 15A and 20A configurations
- Built-in LED night light for enhanced visibility
- Automatically provides soft illumination in dark environments
- Standard duplex outlet for everyday power needs
- 125V rated for residential applications
- UL listed for safety and compliance
- Tamper-resistant design for added protection
