

MSP Series

Surface Mount Panel

Surface Mount Panel

This **1x4 surface mount panel** is designed for easy ceiling installation without recessed housing requirements. Featuring **field-selectable wattage and color temperature**, it delivers flexible lighting performance for **commercial and residential** applications. Ideal for **offices, hallways, retail spaces, classrooms, and other indoor environments requiring efficient and uniform illumination.**

1x4 Surface Mount

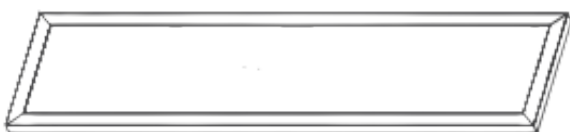

Key Features — Surface Mount Panel

- Surface mount installation (no recessed can required)
- Field-selectable wattage: 20W / 30W / 40W
- Selectable color temperature: 3500K / 4000K / 5000K
- Voltage: 120–277V
- Dimming: TRIAC / 0–10V compatible
- CRI 80+ for standard color accuracy
- Energy-efficient LED performance
- Suitable for commercial and residential use

	MSP14-WS3CCT
Color Temp.	35K/40K/50K
Wattage	20W/30W/40W
Lumens	2200LM/3300LM/4400LM
Voltage	120V-277V
Dimming	Traic/0-10V
CRI	80+

Dimension

Item Number	Dimension (LxWxH)
MSP14-WS3CCT	47.25"x12"x1.5"

MSP Series

Surface Mount Panel

Technical Summary

Item Number	Description	Wattage	Lumens	Color Temp.	Voltage	Dimming	CRI
MSP14-WS3CCT	1x4 Surface Mount Panel	20W/30W/40W	2200LM/3300LM/4400LM	35K/40K/50K	120V-277V	Triac/0-10V	80+

Construction

- Heavy-duty steel housing for durability and long-term performance
- High-quality polycarbonate (PC) lens for even light diffusion
- Slim surface-mounted design for fast and simple installation

Optics

- Selectable color temperatures (3500K / 4000K / 5000K)
- Uniform, glare-free light output
- High-efficiency LED design for consistent illumination
- Wide beam distribution for general lighting applications

Driver

- High-efficiency LED driver
- 120–277V universal input
- Supports TRIAC and 0–10V dimming
- Flicker-free and stable performance

Mount

- Surface mounted installation designed for direct ceiling mounting without recessed housing
- Compatible with standard junction boxes for quick installation
- Steel mounting bracket included for secure and stable installation
- Suitable for concrete, drywall, or other solid ceiling surfaces
- Easy retrofit solution for spaces without existing recessed fixtures

Included In Box

- LED fixture (1 pc)
- Surface-mounted bracket (1 pc)
- Mounting screws (4 pcs)
- Wall anchors (4 pcs)
- Wire nuts (5 pcs)
