

ICCDR6/8/10-BlackTrim

6"/8"/10" Replacement Baffle Black Trim Ring For Commercial Downlight

Replacement Black Trim Ring

The ICCDR Black Trim Ring Series is designed to upgrade and customize the appearance of commercial recessed downlights. Featuring a baffle-style black finish, these replacement trim rings help reduce glare while providing a modern architectural look for commercial lighting applications. Compatible with 6", 8", and 10" commercial downlights, they are ideal for offices, retail stores, hospitality spaces, and other professional environments.
