

MSLH-3W-5CCT/MSLV-3W-5CCT

LED Step Light (Horizontal/Vertical)

LED Step Light (Horizontal/Vertical)

The **MSLH / MSLV Series LED Step Light** is a compact architectural lighting solution designed for safe and stylish illumination of stairs, pathways, hallways, and wall applications. Available in both horizontal and vertical designs, it provides soft, glare-free lighting while enhancing visibility and aesthetics. With **5CCT selectable color temperature** and durable construction, it is ideal for residential and commercial indoor or outdoor applications.

Key Features — LED Step Light (Horizontal/Vertical)

- Available in horizontal and vertical designs
- 5CCT selectable (2700K–5000K)
- 3W energy-efficient LED with 100LM output
- Soft, low-glare illumination for step and pathway lighting
- Available in Black and white finishes
- Compact architectural design for modern spaces
- Ideal for stairs, hallways, pathways, and wall lighting
- Durable construction for long-term performance

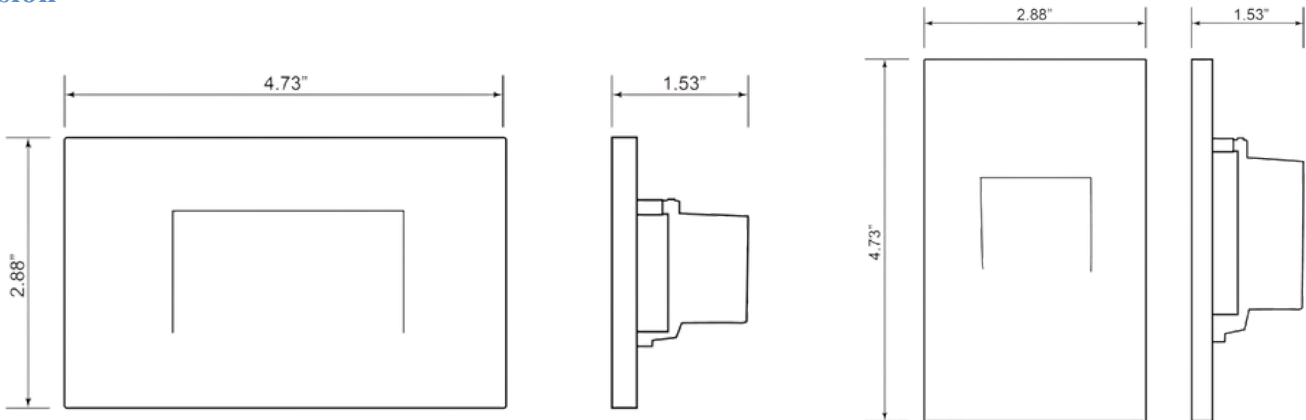

LED Step Light

LED Step Light (Horizontal/Vertical)

Technical Summary

Item Number	Description	Wattage	Lumens	Color Temp.	Voltage
MSLH-3W-5CCT	LED Step Light horizontal 120V-Black	3W	100LM	27/30/35/40/50K	120V
MSLH-3W-5CCT-WH	LED Step Light horizontal 120V-White	3W	100LM	27/30/35/40/50K	120V
MSLV-3W-5CCT	LED Step Light Vertical 120V-Black	3W	100LM	27/30/35/40/50K	120V
MSLV-3W-5CCT-WH	LED Step Light Vertical 120V-White	3W	100LM	27/30/35/40/50K	120V

Construction

- Durable aluminum housing for excellent heat dissipation and durability
- Compact low-profile design for architectural integration
- Available in Black and white finishes
- Designed for indoor and outdoor wall applications

Driver

- Integrated high-efficiency LED driver
- 120V input voltage
- Stable and flicker-free performance
- Energy-efficient operation

Optics

- 5 selectable color temperatures (2700K–5000K)
- Soft and uniform light distribution for visual comfort
- Low-glare illumination for safe pathway and stair lighting
- CRI 80+ for consistent color rendering

Mount

- Recessed wall-mounted installation
- Suitable for stairways, hallways, pathways, and accent wall lighting
- Compatible with standard junction box installation
- Horizontal and vertical orientation options available
